

University Club Parking 2026

We would like to take this opportunity to advise Members how to park when visiting The University Club of Western Australia.

- Please affix your valid University Club parking permit to the bottom left-hand corner (passenger side) of the vehicle's windscreen. This is mandatory to park under the Club in the green bays of carpark 4.
- The Member undercover parking area (carpark 4 – Green bays) is strictly for the use of Members when visiting the University Club. Parking must be paid for, either by the EasyPark App or via one of the parking machines. Parking fees are \$3.00 per hour. Please note that the parking machines are credit/debit card payments only.
- Members can also park in the carpark 5 student/visitor (yellow) bays. Parking must be paid for, either by the EasyPark App or via one of the parking machines. Parking fees are \$3.00 per hour. Please note that the parking machines are credit/debit card payments only.
- Valid ACROD permit holders can park in Accessible bays free of charge.
- If the UWA Accessible bays are occupied, valid ACROD permit holders can park in the student/visitor (yellow) or staff (red) bays free of charge.
- Valid ACROD permit holders can also park in the green Member undercover parking area (carpark 4). However, the \$3.00 per hour parking rate applies in the green bays.
- Valid ACROD permit holders **must display** the ACROD permit on their windscreen.
- If you are not driving your nominated vehicle, you must obtain a temporary parking permit from Club Reception. You will still need to pay at the ticket machine or, if you are using the EasyPark app, you are required to update the registration number associated to your account.
- Parking is free 5:00pm to 8:00am weekdays.
- Parking is free all hours on weekends and public holidays.
- Please return your University Club permit to reception if you change your vehicle or replace your windscreen so a new permit can be issued.
- If you wish to cancel your Membership, you will need to return the parking permit to The University Club.
- Guests of Members are not permitted to park in the undercover parking area.
- Please note Members are only entitled to nominate one vehicle to their Membership.

Please note that a parking permit does not guarantee a parking bay.

Please be aware that university car parks are patrolled on a regular basis to ensure that legal parkers have the best opportunity of finding a bay.

All parking on campus is controlled by The University of Western Australia through UniPark under the UWA Land By-Laws.

If you are issued with an infringement notice, they can be paid or appealed at: <https://uwa.genexims.com.au/LoginReference>. You are welcome to inform us of any parking infringement issues; however, **The University Club is unable to take any action on your behalf**. UniPark can be contacted at unipark@uwa.edu.au.

We look forward to seeing you at the Club soon.
